Hello everyone! My name is Miss Chloe! This will be my first year teaching and I am very excited to get to work with all the kiddos! I chose ECE because I grew up with it, my father and grandmother being teachers, and I saw how much they enjoyed it and I've always loved kids, being an aunt of 8 kiddos ranging from 14 years old to 7 months, I have a wide range of knowing what every age may need relating to education and care! I believe these kiddos are our future and they deserve to have the best preparation and care to grow up and learn new things!
