Hey there! My name is Cierra Caudill. I am 36 years old and was born in Batesville July 13th, 1990 along with my twin sister. I am married to Matthew Caudill and this year we will celebrate 15 years together. We have 3 daughters Madalyn, Emma, and Kate. Together we love to travel, movie nights, and raising all the animals we have on our little farm. I have worked in childcare for the last three years. I am so excited to be a part of your child's care and learning.
