

Hi! I'm Heather

About Me

Hello! I am a busy mother of 3 who enjoys gardening, music and teaching!

My Experience

- I have worked in childcare for 24 years and am thankful for the experience and everything I have been able to learn on this journey!
- I went to college and have been learning American Sign Language for 26 years. I enjoy interpreting and being around Deaf friends in my free time.
- My oldest child is special needs and I am thankful for the experience I have to help some of my students through their experiences!

Why Did I Choose Childcare?

I believe children are our future. What better investment could we choose?! I have a deep desire to nurture and challenge children during their crucial years of development to help them be their very best. Children are truly amazing, and it is a joy to see them grow, play and achieve their milestones!
